Student Counselling Committee

Objective

- To monitor the students regularity & discipline
- To enable the parents to know about the performance & regularity of their wards.
- Improvement of teacher-student relationship
- Giving an opportunity for students to learn to improve their emotional, behavioral, personal, interpersonal characteristics, to develop confidence, make better choices, and increase educational efficacy.
- Helping students to explore and express feelings and ways of thinking about their present situation and work toward making a healthier and happier future.

Vision

During the Educational period and later, overall development of our younger generation is highly significant. The internal and external challenges of our youngsters are to be resolved in order to empower them properly to become not only a good Engineer but also a good human being. **PSNPC** is always very keen in this regard. For this, close assessment and warm interaction with each individual student is mandatory. This purpose is the heartfelt vision of our Counselling Committee.

Rules and regulations of the committee:

- Formation of Mentorship in each department.
- To get feedback from the student committee members/teachers of each subject and mentors of each class.
- Procuring the list of students who have scored less than 8 marks in their internal tests from each department per subject by the individual teachers handling the respective subjects, so as to guide them properly through counselling.
- Providing counseling for the final year students who are in dilemma to enable them to choose job or higher studies.
- Providing special medical assistance to the students who are going through depression.
- Conducting a monthly meeting with the parents of the students having shortage of attendance and internal marks below 08.

NOTE: Information to be submitted to the office for communication with the parents. Individually each teacher should provide the internal test marks and shortage of attendance of the students within three days after each internal test
